

WELLA INTERNATIONAL NUMBERING SYSTEM

All shades are coordinated according to the level of depth and tonal value. The number to the left of the stroke represents the depth (2/ – 10/) and the number on the right of the stroke, the tonal value (/0 - /9).

Depth means how light or how dark the hair is for example:-

- **6/0 the depth is 6, Dark blonde**

Tone means what colour the hair is for example:-

- **6/4 the tone is 4, Red**
